

Rules and Regulations

Camps and Campsites

No electronic music-making equipment may be used at the site.

Occupation of sites after 11am on arrival; the facilities must be vacated by 11am on the morning of departure.

Campsites

No firewood may be collected within one kilometer of any campsite and no vegetation may be cut at the campsite.

All fire ashes must be buried in a hole deep enough so that the ashes can be covered by 30cm of soil.

Campers must provide their own toilets which must be either chemical/water or biobogs (The dimensions of the hole for sewage disposal must not exceed 30cm square x 1.5metres deep). The hole should be filled with soil when it is 30cm from full.

No rubbish pits may be dug or litter discarded at the campsite. All litter should be transported to the nearest town.

No new roads may be made in the vicinity of the campsite.

The number of people at the campsite must not exceed 20 (including staff)

No allocation of camp site; sites, will be allotted on a first come first served basis.
